

POWERTRAIN ROCKFORD® Fan Drive LIMITED WARRANTY
Off-Highway Models
ONE YEAR

The Rockford fan clutch and bracket assembly is warranted to the consumer or the original purchaser or manufacturer to be free from defects in material and workmanship under normal use and service for a period of one year, unlimited hours.

This warranty does not apply to any part which shall have been repaired or altered by anyone not the authorized representative or Powertrain Rockford Inc., so as in our judgment to affect its stability and reliability nor any part subject to misuse, negligence or accident.

In addition, this warranty does not apply unless the Rockford® fan clutch is serviced in accordance with the Rockford® Service Manual and is installed in a POWERTRAIN Rockford approved application, including use of correct lubricant. SAE approved oil (EXCEPT NON-APPROVED SYNTHETIC OILS) must be used in engine-oil lubricated systems. Additionally, engine oil must be pass through an approved orifice installed in the oil supply line to the fan clutch.

POWERTRAIN Rockford does not warrant hose, fittings, and mounting hardware.

POWERTRAIN Rockford's responsibility under this warranty is limited to repairing at our approved distributor's location at no cost to the owner, any assembly from a POWERTRAIN Rockford approved application which shall be returned to us transportation charges pre-paid within one year from the date of installation, or 18 months from the manufacture date of the assembly, whichever occurs first, and proof thereof, and which examination shall disclose to our satisfaction to have been thus defective.

Labor for removal, re-installation and repair of the POWERTRAIN Rockford fan drive clutch will not be allowed or provided under the provision of this warranty.

User accepts the responsibility of operating and maintains the POWERTRAIN Rockford® fan drive in accordance with Rockford's recommendations and standard maintenance practices as described in the Rockford Service manual and in Rockford® Service bulletins. These preventive maintenance procedures apply not only to the fan clutch and thermal control valve but also to the oil and airlines, their associated fittings and connections, and fan bracket and fan bracket and fan mounting bolts, which complete the installation.

Request for information and/or repair of any Rockford® fan drive clutch may be initiated by contacting the Sales Department or Service Engineering Department at POWERTRAIN Rockford, Rockford, Illinois or any authorized POWERTRAIN Rockford distributor.

THE WARRANTIES CONTAINED HEREIN ARE IN LIEU OF ALL OTHER WARRANTS EITHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. We neither assume nor authorized any person to assume for us any other liability in connection with the fan drive clutch.

IN NO EVENT SHALL POWERTRAIN ROCKFORD BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

As consideration for this warranty, the original customer and subsequent purchaser agree to indemnify and hold POWERTRAIN Rockford., harmless from and against all and any loss, liability, damages or expenses for injury to persons or property, including without limitation, the original customer's and subsequent purchaser's employees and property, due to their acts or omissions or the acts or omissions of their agents, and employees in the installation, transportation, maintenance, use and operation of said equipment.
