

Walterscheid Powertrain Group is a global provider of connected and smart powertrain solutions with 2200 employees on four continents – we deliver efficiency and power in the agriculture, construction, mining, utility vehicle and industrial markets. Walterscheid Powertrain Group is the technology partner and innovation leader to the leading, global OEMs. At the earliest possible start date we are currently looking for a Technical Service Project Engineer - Scandinavia (m/f/d). Work location will be Tullinge (Stockholm area).

Technical Service Project Engineer – Scandinavia (m/f/d)

Key Responsibilities:

- ▶ Active expansion of our service business in Scandinavia, including mechanical field services and condition monitoring systems
- ▶ Intensive market cultivation with frequent customer visits to acquire new and to expand collaboration with existing service customers
- ▶ Active market cultivation, identification of customer needs for technical services, maintenance measures and optimizations in the field of industrial drive trains
- ▶ Management of customer service projects to win service orders and commercial responsibility for sales, margins and service contracts
- ▶ Development and execution of a sales plan with the definition of target customers and visit intervals in coordination with local sales
- ▶ Independent execution of service jobs (e.g. mechanical alignment checks, vibration measurements using Vibexpert, cardan shaft service, gearbox repairs)

Your Qualifications:

- ▶ You have a technical training and more than three years of relevant working experience as application engineer
- ▶ You have technical experience with industrial drive trains and industrial gearboxes and experience in the independent implementation of maintenance activities.
- ▶ You have the ability to build strong customer relationships and a willingness to travel
- ▶ Industry experience in the paper, steel or marine sector would be a big advantage
- ▶ You speak and write English on a fluent level, German is a plus

Did we catch your interest? Do not hesitate and send your application including your CV, cover letter and your earliest starting date to careers@walterscheid.com. We are looking forward to meeting you!

We as Walterscheid Powertrain Group value diversity and therefore welcome all applications. Every applicant will be treated fairly, and we do not accept discrimination based on gender, nationality, ethnic and social origin, religion, disability, age, sexual orientation or identity. All decisions regarding applications and a potential employment will be based exclusively on qualification and suitability regarding the vacancy to be filled.
